

## BTS Electrotechnics

L'Isle-sur-la-Sorgue

 Formation éligible  
au CPF

 Formation réalisable  
en alternance

### The benefits of training

#### Indicators

- Number of learners \* : 7
- Number of learners sitting the exam : 6
- Satisfaction rate \* : 60% Exam pass rate \* : 50%
- Integration rate at the end of the course \* : 67% Integration rate in the intended profession \* : 67% Study continuation rate \* : 33%
- Break-up rate \* : 14%
- Drop-out rate \* : 14%

(Rate calculated on those leaving the course)

\* Reference period 01/09/2023 to 30/07/2024, calculated on the number of responses obtained

- Openings : electrical installation site manager, home automation technician, electromechanical technician, test technician, industrial maintenance technician

- Course continuation : ITS preparatory class, home automation vocational diploma, energy and propulsion vocational diploma, industrial maintenance vocational diploma, business manager vocational diploma...

#### Successful career path :

Having obtained a BP in electricity, Rémy L. brilliantly passed his BTS in electrical engineering. He is now continuing his training on a Licence professionnelle Chargé d'affaire.

- Noa S., who has a BTS in Electrical Engineering, has been taken on by the company where he did his apprenticeship.

## TRAINING

### OBJECTIVES

The skills developed by the electrotechnical technician range from design to implementation, technical consultancy and maintenance of electrotechnical equipment or systems with hydraulic, pneumatic and optical processes.

The holder of this BTS can work in pre-study, organisation-realisation, on-site installation and maintenance activities in various sectors such as industrial equipment and control, energy production and transformation, building automation and technical management, refrigeration and food processing, or public equipment. He can continue his studies with a professional licence.

## PROGRAMME

**Vocational teaching modules:** Sciences applied to electrical engineering; Electrical engineering; Professional activities

- Pre-study and modelling
- Design and industrialisation
- Construction, materials technology and tooling
- Industrial technical project: presentation of the project
- Organisation of the worksite
- Preparation, organisation and monitoring of production
- Manufacturing technology
- Production of tools

**General education modules :** French; Mathematics; Modern foreign language

## VALIDATION

- Diploma from the Ministry of National Education and Youth Level 5 (BTS)
- + d'informations sur cette certification (RNCP35346, libellé exact du diplôme, nom du certificateur, date d'enregistrement de la certification) en cliquant sur : <https://www.francecompetences.fr/recherche/rncp/35346/>

## WHO SHOULD ATTEND?

### AUDIENCE

All audiences

### PREREQUISITES

Bac technologique (STI electrotechnique) ou général scientifique ou professionnel industriel (ELEEC) ou BP électrotechnique ou niveau IV et 3 ans d'expérience professionnelle

## EDUCATIONAL ORGANISATION

### SESSION DATES

from 1 Sep 2023 to 7 Jul 2025 | **DIVERS FINANCEMENTS**

**APPRENTICESHIP**

from 2 September 2024 to 30 June 2026 | **DIVERS FINANCEMENTS**

**APPRENTICESHIP**

from 15 Sep 2025 to 2 Jul 2027 | **DIVERS FINANCEMENTS**

**APPRENTICESHIP**

### DURATION

Maximum total duration of 3214 hours, including 1864 hours on the job and 1350 hours at the training centre. The duration of the course is indicative and will be determined according to your profile.

### WORKFORCE

12 people

## TEACHING METHODS, EQUIPMENT AND FOLLOW-UP

### Teaching method

- Fully classroom-based training

### Teaching methods

- Personalised course
- Group lessons

## Equipment

- Resource centre
- Equipped technical platforms
- Room equipped with networked computer workstations
- Unmarked room with video projector

## Monitoring and individualisation

Positioning upstream of entry to training.

Equivalences and gateways, please consult us: [accueil@greta-cfa-84.fr](mailto:accueil@greta-cfa-84.fr)

For beneficiaries with disabilities: examination of possible adaptations (reception, training and certification arrangements, compensation arrangements): contact: [referent.handicap@greta-cfa-84.fr](mailto:referent.handicap@greta-cfa-84.fr)

Interviews, remediation with the educational referent and/or company referent during training.

Beneficiary satisfaction is taken into account during and at the end of training.

Possibility of post-training support.

## EXPERTISE OF PARTICIPANTS

EN-certified teachers, Bac +3 trainers with significant experience in adult education, professional lecturers  
Trainers experienced in individualising learning.

## ASSESSMENT AND CERTIFICATION PROCEDURES

In-course testing (CCF)

Tests at the end of training (One-off assessment)

Possibility of validating one or more blocks of skills

In the event of partial validation of the certification, the period of validity of the modules obtained is : 5 years

## FINANCING

### RATE

Total price including VAT : 24300.00 euros

Hourly rate : 18.00 Hourly rate including VAT: euros 18.00

. This price is indicative and non-contractual. Depending on your status, this training course may be fully financed.

Contact us.

## FINANCING

### Session from 01 September 2023 to 07 July 2025

Training on a sandwich course (apprenticeship or professional training contract).

Training eligible for the CPF.

This training on a sandwich course (apprenticeship or professional training contract) can be fully financed. It is also open to other audiences and may be covered by other partners/funders. Please contact us for more information.

### Session from 02 September 2024 to 30 June 2026

Training on a sandwich course (apprenticeship or professional training contract).

Training eligible for the CPF.

This training on a sandwich course (apprenticeship or professional training contract) can be fully financed. It is also open to other audiences and may be covered by other partners/funders. Please contact us for more information.

### Session from 15 September 2025 to 02 July 2027

Training on a sandwich course (apprenticeship or professional training contract).

Training eligible for the CPF.
